

Agree On Goodbye

98 Degrees

I never thought that I could get so much,
I guess it's a way I went wrong.
Cause every time I fetch a simple touch,
It wasn't true, baby, I didn't know.

Where do we go now that I'm part of
Of all this drama for you.
Baby, cause you never told me how you're feeling
I know your secrets because it's hard for me, too.

Cause I'm done waiting for love
I waited here for you
Show me your love,
Cause I gave my all for you.
Been waiting around,
There's nothing left to lose if we,
If we agree on goodbye.

It's getting heavy trying to let this go
Because I'm damage holding arm.
Cause every time you wanna cross my mind
It's obvious, baby, what went wrong.

Where do we go now that I'm part of
Of all this drama for you.
Baby, cause you never told me how you're feeling
I know your secrets because it's hard for me, too.

Cause I'm done waiting for love
I waited here for you
Show me your love,
Cause I gave my all for you.
Been waiting around,
There's nothing left to lose if we,
If we agree on goodbye.

You're making my heart break,
Oh, you're making my heart break.
Oh, the hardest words I ever had to say,
Good bye, bye, bye, baby.

Cause I'm done waiting around
I waited here for you
Show me your love,
Cause I gave my all for you.
Been waiting around,
There's nothing left to lose if we,
If we agree on goodbye.
