If Every Day Could Be Christmas

98 Degrees

If every day could be Christmas What a wonderful world this would be We could carry this feeling within us All through the year (All through the year) If every day could be Christmas

Christmas lights up the city Rooftops covered in snow Lovers sharing a sleigh ride cuddle close and their eyes seem to glow

Window shopping on Main Street Bundled up head to toe Children ice skating 'round the Christmas tree I see smiles young and old

Christmas lights up the city Rooftops covered in snow Lovers sharing a sleigh ride cuddle close and their eyes seem to glow

Church bells ring in the distance Peace on earth fills the air Side-walk Santa's handing out candy canes I feel love (I feel love) everywhere (everywhere)

Christmas lights up the city Rooftops covered in snow Lovers sharing a sleigh ride cuddle close and their eyes seem to glow

It's the time We open up and give from our hearts Let it all shine (brighter) Than any star

Christmas lights up the city Rooftops covered in snow Lovers sharing a sleigh ride cuddle close and their eyes seem to glow
