

# If Everyday Could Be Christmas

98 Degrees

If everyday could be Christmas  
What a wonderful world it would be  
We could carry this feeling within us  
All through the years  
If everyday could be Christmas

Christmas lights up the city  
Rooftops covered in snow  
Lovers sharing a sleigh ride cuddled close  
And their eyes seem to glow

Window shopping on Main Street  
Bundled up head to toe, whoa  
Children ice skatin' 'round the Christmas tree  
I see smiles, young and old

If everyday could be Christmas  
What a wonderful world it would be  
We could carry this feeling within us  
All through the years  
If everyday could be Christmas

Church bells ring in the distance  
Peace on Earth is the air  
Sidewalk Santa is handing out candy canes  
I feel love everywhere

If everyday could be Christmas  
What a wonderful world it would be  
We could carry this feeling within us  
All through the years  
If everyday could be Christmas

It's the time we open up  
And hear from our hearts  
Let love shine, brighter  
Than any star

If everyday could be Christmas  
What a wonderful world it would be  
We could carry this feeling within us  
All through the years  
If everyday could be Christmas

If everyday could be Christmas  
What a wonderful world it would be  
We could carry this feeling within us  
All through the years  
If everyday could be Christmas
