

# Microphone

98 Degrees

When I'm done with you  
You'll be able to carry a tune  
Imma take you to school  
And Teach you how to use this Microphone,  
Like Oh Oh Oh  
I'll Make you scream at the top of your lungs  
Like Oh Oh Oh, a-whoa

Hey Lady, grab the microphone  
And Say, Do Re Me Fa Soo  
Yeah baby, you're warmed up and ready to blow  
Like Do Re Me Fa Soo  
OH OH OH OH OH  
OH OH OH OH OH  
Hey lady, grab the microphone  
And say Do Re Me Fa Soo

Put this in your hand (put this in your hand)  
And hold it up to your lips  
We can be a two-piece band  
And make some hits, while you sing in this microphone  
Like Oh Oh Oh  
I'll make you scream at the top of your lungs  
Like Oh Oh Oh, a-whoa

Hey Lady, grab the microphone  
And Say, Do Re Me Fa Soo  
Yeah baby, you're warmed up and ready to blow  
Like Do Re Me Fa Soo  
OH OH OH OH OH  
OH OH OH OH OH  
Hey lady, grab the microphone  
And say Do Re Me Fa Soo

Do you have what it takes  
Can you put your money where your mouth is  
You can make no mistakes  
You gotta promise to try  
And do the Best you can  
The best you can  
You better do your best  
The best you can  
So come and sing in this microphone

Hey Lady, grab the microphone  
And Say, Do Re Me Fa Soo  
Yeah baby, you're warmed up and ready to blow  
Like Do Re Me Fa Soo
