

You Should Be Mine

98 Degrees

I look at you
And I can see you wanting more
Inside your eyes
Are telling me what you're looking for

A love that's true
Someone that you can lean on
To pull you through
Well Baby I'll be the one

I wanna be the one in your life
I wanna be the one by your side
Oh, baby you should be mine

Don't want us to make a mistake
Don't ever want to see your heart break
I can't let you go this time
Oh, baby you should be mine

It's been so long
Since real love has looked your way
But hold on be strong
It doesn't have to be the game we play

Cause I hear you say
How heartache can feel
But now today
You finally found a love that's really real

I know just what you're going through
You're never sure just who
Who might be hurting you

But let me be the one to hold you tight
Make every thing alright
Cause you should be mine tonight
