

[Verse 1]

Made myself a prisoner
I locked myself away
Can't remember the last time
I saw the light of day
Don't want to face life
Feel I've been betrayed
I want you tell me
Where our love went astray

R:

So can't you wait one more minute
Why can't you wait one more day
Let's get it straight
Because it's a big mistake
We better think about it

R:

I don't want to break it up
Why do we have to break it up?
Never ever want to break it up oh no
I only want to make it up tonight

[Verse 2]

You say you've thought about it
But you sound so cold
You make it look like our love
Can be bought or sold
You won't listen
You say it's way too late
That something is missing
And now you just can't wait
