

Wherever I go
Whatever I do
You have to devastate my race
It's such a disgrace

Come on, give me sympathy
Come on and hit me, try and outwit me
Come on and hit me, give me sympathy

This is my occupation
My hand on my glove
Don't recognise these things you send
I have no love

Come on, give me sympathy,
Come on and hit me, try and outwit me
Come on and hit me, give me sympathy

Come on and hit me, Come on and hit me
Come on and hit me, give me sympathy

[guitar solo]

Come on and hit, try and outwit me,
Come on and hit, give me sympathy

hit, hit, hit, hit, hit, hit, hit, hit
hit, hit, hit, hit, hit, hit, hit, hit
come on and hit me
come on and hit me
come on and hit me
try and hit me
