

Sometimes we got no idea
How to live without fear
The things we do, the things we say
Doesn't matter anyway
Tell it to my memory
How you wanted it to be

Don't you know I'm innocent
only guilty of intent
Don't you know I'm innocent
of intent that I meant
Don't you know
Don't you know
Don't you know I'm innocent
Don't you know I'm innocent
only guilty of intent

I cannot see I cannot feel
Between what is and isn't real
And could it really be a sin
To want to give you everything
I live to love I love to live
It that something you can forgive

Do you dare to want for more
Now you really know the score
Offer up a sacrifice
Everything has got its price
And nothing tried is nothing gained
And no one lives to be contained
