Turn the wrong way your socks don't change Your shirt could too but the shoes are strange Eyes are facing the other way In backward talk you try to say

You're so Inside Out
Inside Out Inside Out
You're so Inside Out
Inside Out Inside Out

Living out instead of in Drinking tea and paraffin Thinks aloud but don't say a word It's just my visions blurred

You're so Inside Out
Inside Out Inside Out
You're so Inside Out
Inside Out Inside Out

Holding head with foot in door Camouflage or something more Goes to sleep on waking up Coffee without a cup

You're so Inside Out
Inside Out Inside Out
You're so Inside Out
Inside Out Inside Out
