

You know
Something I say
That's what you like
You like the way I do it
What you're feeling
Not ice cold that's for sure

Hang 'em oo ahh hang 'em high
Hang 'em, hang 'em, hang 'em high
Obsessed, obsessed
Obsessed, obsessed
Obsessed

Come on
You know I like it
I like the things you do
I like the way you look at me
When I wear my check suit
I like the things you say
When you whisper in my ear

Hang 'em oo ahh hang 'em high
Hang 'em, hang 'em, hang 'em high
Obsessed, obsessed
Obsessed, obsessed
Obsessed
