

## So Long

999

What's the point in going round and round  
When you're up your joe and kick it down  
What's the reason, I try to find  
You're not real, you're so unkind

It's been so long (3x)  
So so long  
It's been so long

I know I got nothing to regret  
Been a long time and I wish I could forget  
You're still deep freeze and I know why  
You never say please, you never cry

It's been so long (3x)  
So so long

Where did you go to  
What did you do  
It's your decision, it's up to you  
I'm through

What's the reason, I try to find  
You're not real, you're so unkind

It's been so long (3x)  
So so long  
It's been so long

So so long  
It's been so long  
[repeat]
