

## Stop! Stop!

999

So you think you've got all the answers  
But you're never naming names  
And you say it's just my attitude  
And my appearance is a shame  
And the girls I like, I'm shying off  
And you don't like fun and games

I said: Stop! Stop!  
I said: Stop! Stop!  
Stop! Stop!

I get these ultimatums  
Because we don't agree on things  
And it's not only 'cos I'm lazy  
And all the trouble that it brings

I said: Stop! Stop!  
I said: Stop! Stop!  
Stop! Stop!

Well, I've given up on explanations  
'Cos I don't feel in the mood  
And you don't even like my music  
And you say that I'm much too rude

I said: Stop! Stop!  
I said: Stop! Stop!  
Stop! Stop!  
(2x)  
Stop! Stop!
