```
"..it down!" - Patrick Stewart sample..from end of Intro
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
Aiyo Camouflage Children forever revealin' like Princess tore up from the fl
Pealin' from the ceilin', verbal abuse, I can't lose
Seude velvet, a man who kills shoes
I'm a fuckin' blow my high while Lady Sings the Blues
Or how my army had nine in the clip but shot ten dudes
Misdemeanin' nigga, dyin' from the sound
He was clappin' by the tre' pound, penals get locked down
Muslims remain lost and found
Lyrics steal railroads, especially made from the underground
Plant seeds, whether it be babies or weed
Or straight violent like mixin' leak with speed
Fuck it! Call me the Prince Keanu Reeves
Verbal bazookas up my sleeves, make a whole nation just bleed
The skate off with eighty ki's
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
I throw the seven-inch chamb' and smash you in ya brain
Terrorist and 9th Prince is crack/cocaine inside ya veins
Killa Kane I feel ya pain, ninety-nine names
Between the physical frame, set off alarms I drop bombs
Cut off arms cuz I'm insane
Golden gloves, I shadowbox with my ox
Ran in spots, shot up cops for their jewelery, rocks
Run for ya shoe box, grab the glock
Makaveli got love for Wu, I love 2Pac
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
```

Animosity posse, shootouts in the lobby for a hobby Who framed Bobby? It might've been those jealous niggaz from Marcy Lyrical Marcus Garvey, I rocks bust from Arizona to Yugoslavi'

"9th Prince started to fight with this analog" > Beretta 9

Yo early in the mornin' in the courthouse rockin' symbols Staten Island criminals, you small like a decibel You specializin' in shootin' up funerals Instrumental force by the environment Shyheim jumped out the cabinet with forty gadgets Islord had the sword, swung it on the parole board Ra' killed his wife for her eskimo ice Think twice, shit ain't pretty, my army's wild Like niggaz from Brick City, we gritty We leave no pity on ya committee

"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
"The 9th Chamber, you get trapped inside my hallway" > Ghostface
"9th Prince started to fight with this analog" > Beretta 9
