

## Herbst

A Balladeer

So spring never came  
No need to digress  
It is what it is  
And this too shall pass

Now summer has gone  
You need a new plan  
Before you know it  
It's winter again -

All over again

You'll be alright  
I know for a fact  
Just look at the twins  
Remember the pact

And then there's this blonde  
Still a bit tanned  
Maybe it's time now  
You let go of his hand

Go on...
