

## A Minha Menina

A Band of Bees

Ela e minha menina  
E eu sou o menino dela  
Ela e meu amour  
E eu sou amour todinho dela  
The silver moon is out of sight  
And the golden sun has come  
A beautiful new day is born  
scented with joy  
Cause i fell asleep and awoke thinking of her  
Pois ela e minha menina  
E eu sou o menino dela  
Ela e o meu amour  
E eu sou amour todinho dela  
The rose bush has blossomed out  
And I'll sing that she's my rose  
For her I'll place my heart before  
Reasons i tell  
Everybody in the world that I love her  
A Minha menina
