

Punchbag

A Band of Bees

Use me like a punch bag
I'm too much for a cage of monkeys
Here they come from the hole
In the back of my head
Very carefully I stand
And I'll say I'll call again
Use me like a punch bag
I'm too much for a cage of monkeys
Here they come from the hole
In the back of my head
Very carefully I stand
And I'll say I'll call again
Use me like a punch bag
Use me like a punch bag
Use me like a punch bag
Use me like a punch bag
