

Genesis Of A Control

A Broken Silence

We live in this, this ain't the joke of a conspiracist,
just Genesis of a control that could be limitless,
so people come get your benefits,
cameras on all perimeters bordering on ridiculous,
and we the ones they do business with,
many predicted this warning to all citizens,
cause we see none of these images,
true journalists become dissidents.

HOOK

Give us a way out,
don't make us bring you down,
you'll never silence the voices,
silence this voice, give us a way out... way out

VERSE 2

Stay diligent as we unfold who the villains is,
cause innocents still being revoked of their privileges,
'So people come get ya benefits',
administers of militance living terror for villages,
'and we the ones they do business with',
imagine they inflict on us similar type predicaments,
'cause we see none of these image' assisting their systems deliverance.

HOOK

Give us a way out,
don't make us bring you down,
you'll never silence the voices,
silence this voice, give us a way out... way out

BRIDGE

Genesis of a control, that could be limitless,
Genesis of a control, that could be limitless
Silence the voices, Give us a way out
Genesis of a control, that could be limitless,
Genesis of a control, hat could be limitless,
the genesis of a control, that could be limitless,
Give us a way out, way out
Genesis of a control, that could be limitless,
Genesis of a control, that could be limitless,
genesis of a control, that could be limitless,
Give us a way out

HOOK

Give us a way out,
don't make us bring you down,
you'll never silence the voices,
silence this voice, give us a way out... way out...
don't make us bring you down,
give us a way out, way out...
