

# Grandpa Phone Home

A.C.T

Such a normal day at suburb life  
Me and my wife  
Eggs and tea for breakfast  
Grab the clothing from the closet door  
Bow tie and jumpsuit

Waking up the neighbours with a bang  
Little Winston scares me with his fangs  
Out of my way, tell me what you have done  
Grandpa is gone

He went for a ride across the universe  
He thought that he'd become Buzz Aldrin  
Now he is gone, what will we do?  
He's joined the Cosmic Zoo

The doorbell rang and I ran down the stairs  
To see who's there  
My, who might that be?  
I open up and saw this ugly face  
A man from space?  
He gave me this postcard

I'm not coming home, it's all the same  
I don't regret a thing, I feel no shame  
You should've seen me dancing waltz with a E.T  
Come visit me

He went for a ride across the universe  
He thought that he'd become Buzz Aldrin  
Now he is gone, what will we do?  
He's joined the Comic Zoo

Then one day something grew up in my backyard  
A rocket built by my own son  
He said that I don't wanna be here anymore  
Down here on earth I'll find no fun

Where can you be?  
Are you alone?  
Can't you call me on the phone and in my dreams?  
I would moan  
Grandpa, please come home  
Please come home to me

(solo)

He went for a ride across the universe  
He thought that he'd become Neil Armstrong  
Now he is gone, what will we do?  
He's joined the Cosmic Zoo
