"Quack goes the goose and also goes the duck moo goes the cow"

my dad is a business man
he likes to drink a few
he likes to watch the footy
and doesn't flush his poo

when hes not at works hes dirty digging in his pit when its deep enough he hangs a little shit

woo my dad is weird
yeh he is very strange
he makes all his chickens
lay all their eggs free range

my dad bets on the footy and although he always loses he sits in his chair pulling out his hair and calls everyone losers

woo my dad is weird
yeh he is very strange
he makes all his chickens
lay all their eggs free range
