Home Is Where The Heart Is

A Change of Pace

say something anything right now you know im choking on how bad it hurts to say goodbye trust in the words i say to you its killing me to see you desperate believe in what you want

just tell me how long it takes until im in the right place

here we go again
im happier without
this left behind
but its all over now
im ready to go
im ready to go
ready to find a way some how
im ready to go
im ready to go
ready to go
ready to leave it all

say something anything right now i know youre choking on how bad it hurts to let us go cry yourself asleep again tonight write a note sent with youre love from everyone everyone

just tell me how long it takes until im in the right place

here we go again
im happier without
this left behind
but its all over now
im ready to go
im ready to go
ready to find a way some how
im ready to go
im ready to go
ready to go
ready to leave it all behind

you build me up can't break me down ill find a way to leave this town and nothing good youll ever say will stay with me please stay with me (2x)

stay with me

here we go again im happier without this left behind but its all over now
im ready to go
im ready to go
ready to find a way some how
im ready to go
im ready to go
ready to leave it all behind
all behind
