

# I'm Made of Wax, Larry, What Are You Made of?

A Day to Remember

Don't blink,  
They won't even miss you at all  
And don't think,  
That I'll always be gone

You know I've got you,  
Like a puppet in the palm of my hand  
Don't you let me down

So run like hell  
Sleep with one eye open  
You can forgive or forget  
You will tell everyone the damage done  
Too bad you can't stop me  
You can't stop me now

I'll be there just to watch you fall  
So don't push me  
I've got nothing to lose

Don't blink,  
They won't even miss you at all  
And don't think,  
That I'll always be gone

You know I've got you  
Like a puppet in the palm of my hand  
Don't you let me down

There I go again,  
I mean its so damn hard  
To come back from the mess that you've made  
Let me tell you I told you so  
Your a snake and I confess  
Just use your head

I'll be there just to watch you fall  
So don't push me,  
I've got nothing to lose

Don't blink,  
They won't even miss you at all  
And don't think,  
That I'll always be gone

You know I've got you  
Like a puppet in the palm of my hand,  
Don't you let me down

Don't blink,  
They won't even miss you at all  
And don't think,  
That I'll always be gone

You know I've got you  
Like a puppet in the palm of my hand,  
Don't you let me down

Come on, ooh

Everybody's out to get me  
Any moment could be my last  
This is it,  
You can take it or leave it  
Will you run? I will stand on my own two feet

Just breathe  
Just breathe

Don't blink  
They won't even miss you at all  
And don't think that I'll always be gone  
You know I've got you  
Like a puppet in the palm of my hand  
Don't you let me down

Don't blink  
They won't even miss you at all  
And don't think that I'll always be gone  
You know I've got you  
Like a puppet in the palm of my hand,  
Don't you let me down, oh
