

Mr. Highway's Thinking About the End

A Day to Remember

Wake up!

Oh how the times have changed.
You're not the person I knew back then.
Let's get this straight.
This is a calling, when will they stop falling for this?
You lack all inspiration.

We are not the same.
I'll do whatever it takes
To get it through to you.
We'll call this a day.
We are not the same.
You are worthless.
Stay in your place.

It's like speaking in tongues for all you know.
Will we ever get what we deserve?
How long until the tables turn?
Will we ever get what we deserve?

I've created a monster.
I got a side of me that no one should see.
So quit stalling, pack your bags, keep walking away.
Your life leads to destruction.

We are not the same.
I've struggled to long to sit back and let you take this from me.
We are not the same.
I have given everything.

It's like speaking in tongues for all you know.
Will we ever get what we deserve?
How long until the tables turn?
Will we ever get what we deserve?
Get what we deserve?
Get what we deserve?
Get what we deserve?

Disrespect your surroundings.

You won't make it out alive.
You won't make it out alive.
You won't make it out alive.
You won't make it out alive.

It's like speaking in tongues for all you know.
Will we ever get what we deserve?
How long until the tables turn?
Will we ever get what we deserve?
