

Sound the Alarm

A Day to Remember

I'm your alpha and omega,
I am invincible.
(6x)

Can I just say one more thing?
I'm not gonna say ya know, there's plenty more fish in the sea
I'm not gonna say if you love her let her go
And I'm not gonna bombard you with cliché's
But what I will say is this:
It's the end of the world
