

Elmira

A Faylene Sky

As I fall and our time dies
This silhouette remembers me
This time we try
Erase our minds
She said arise
Forgive them
This time she lied
This time she lied
So long and good night
Where dead have come and gone
This is our last night
Release the devils
This time we lost
This time we lost
This time we lost
Follow me
As I fall and our time dies
This silhouette remembers me
This time we try
Erase our minds
As I fall
As I fall
This silhouette remembers me
Remember me
Ashamed we swallow
Our sympathy
And now we follow
Our enemies
This time we lost
This time we lost
This time we lost
Follow me
As I fall and our time dies
This silhouette remembers me
This time we try
Erase our minds
This time we lost
This time we lost
This time we lost
Follow me
As I fall and our time dies
This silhouette remembers me
This time we try
As I fall and our time dies
This silhouette remembers me
Remembers me
Erase our minds
Erase our minds
Erase our minds
She said arise
Erase our
