

Liar, Liar

A Fine Frenzy

Liar, liar, you're such a great big liar
With the tallest tales that I have ever heard
Fire, fire, you set my soul on fire
Laughing in the corner as it burns

Right between the ribs it's sinking in

Oh, oh, the siren sang so sweet and watched the sailors going down
Oh, oh, you talk to me in siren song; yeah, anyone would drown
Anyone would drown

Sick and tired of this mad desire
Fluttering inside me like a hawk
Wire, wire, got my hands on wires
Well, Heaven help you when I get them off

Right between the ribs you'll feel it then

Oh, oh, the siren sang so sweet and watched the sailors going down
Oh, oh, you talk to in siren song; yeah, anyone would drown
Anyone would drown

Oh, the ships go down
Following the sound
Oh, the ships go down

Oh, oh, the siren sang so sweet and watched the sailors going down
Oh, oh, you don't do me in siren song; yeah, anyone would drown
Oh, oh, the siren sang so sweet and watched the sailors going down
Oh, oh, you don't do me in siren song; yeah, anyone would drown
Anyone would drown
