

Lifesize

A Fine Frenzy

capo I

we stood so tall we caught a plane
by the wing and held it safe
until we found it a place to land
we laid across the ocean wide,
bridged the gap in record time, the people traveled across and
kissed our hands

all for love, we become
larger than lifesize, wondrousome
great in the eyes of someone
larger than lifesize we become,
great in the eyes of someone

we smiled so bright the sun went down
rose above the maddening crowd
we lit the streets with the sweetest glow
we held the globe and made it turn
wandered through the universe
the men of science observed through telescopes

all for love, we become
larger than lifesize, wondrousome
great in the eyes of someone
larger than lifesize we become,
great in the eyes of someone

larger than lifesize, we become
larger than lifesize we become,
great in the eyes of someone
