

Hot Tonight

A Flock of Seagulls

I'm getting hot tonight
I feel like I'm gonna fight tonight
I'm getting hot tonight
Won't everyone feel the hight tonite

Ooooo it's hot inside
How 'bout we all go outside
Come on let's go outside
'Coz I think some one farted

Yeah, it really smells
It's not hot I'm just trying to be nice
But yeah, it's got chemicals
And it really hurts your eyes

"I really think we should go outside before we faint"
