

## Hot Tonight

A Flock of Seagulls

I'm getting hot tonight  
I feel like I'm gonna fight tonight  
I'm getting hot tonight  
Won't everyone feel the hight tonite

Ooooo it's hot inside  
How 'bout we all go outside  
Come on let's go outside  
'Coz I think some one farted

Yeah, it really smells  
It's not hot I'm just trying to be nice  
But yeah, it's got chemicals  
And it really hurts your eyes

"I really think we should go outside before we faint"
