

Love On Your Knees

A Flock of Seagulls

(All right)

If you want to make love to me
You've got to get down on your knees
I said, Baby, baby, please
You've got to give me some release

If you want to make love all night, well
That would be all right
I don't want to play hide and seek
You've got to get down on your knees

Sometimes when I want you
I really, really want you
I'd do anything
To get you on your knees

If you want to make love to me
You've got to get down on your knees
(I said)
Get on your knees and pray
True love is gonna come your way

If you want to make love outside
Oh, baby, that would be so nice
Baby, baby, please
You know you've got me on my knees

(Yeah, yeah)

I can't let you get away
Sometimes when I want you
I really, really want you
(Uh oh, tell me you want to stay)

Oooh, sometimes when I need you
You got to get down on your knees
Hey, hey,
(Who do you think you are?
Say you're a brand new star)
I'm a star, I'm a star
(Who do you think you are?)
I'm a fantasy car
(But that won't get you far)

Hey

(Who do you think you are?
Say you're a brand new star)
I'm a brand new star
(Who do you think you are?)
I'm a star, I'm a star

Sometimes when I want you
I really, really want you
I'd do anything
To get you on your knees

Sometimes when I love you
I really, really love you

Love...on your knees (on your knees)

If you want to make love to me
You've got to get down on your knees
(Down. . . on your knees)
If you want to make love all night
Ooooooh, that would be all right
(All.....night)

Ohhh.... sometimes when I love you
I really, really need you
I really, really want you
I really, really want you
Sometimes when I want you
(Really, really want you)
I'd do anything
To get you on your knees

Sometimes when I love you
I really, really love you
Love....on your knees

Sometimes when I want you
You know I really want you
I get you a diamond ring
To get you on your knees (on your knees)

Sometimes when I love you
L-o-v-e, love you
