```
I am a traveller
And I'm arriving
In a new place
With a new face.
```

So don't stop, stop, stop, stop, stop.
Don't look behind you.
You don't stop, stop, stop, stop, stop,
They'll never find you.

I am a traveller
Across the ocean
I wanna get there.
I wanna swim in your emotion.

So don't stop, stop, stop, stop, stop.
Don't look behind you.
You don't stop, stop, stop, stop, stop,
They'll never find you.

I am the traveller Across a million miles of open. I wanna get there, I wanna swim in your emotion.

I won't stop, stop, stop, stop, stop. Won't look behind you. They won't stop, stop, stop, stop, stop, stop, Until they find you.

I am a traveller, I am a traveller, I am a traveller, I am a traveller, Traveller, Traveller.
