## **Baby Plays Around**

## A Girl Called Eddy

It's not open to discussion anymore She's out again tonight And I'm alone once more She's all I have worth waiting for But baby plays around

And so it seems I've always been the last to know To hold on to that girl I had to let her go I wish to God I didn't love her so Baby plays around

I try to be strong Hold on to my pride She doesn't even know it's wrong How much I hurt Inside And heaven knows I've tried But baby plays around Just a plaything It's hard to reconcile The facts I'm facing

It's not open to discussion anymore She walks those shiny streets I walk the worn out floor She's all I have worth living for Baby plays Baby plays Around
