Here We Are

A Global Threat

There's a 15-minute fad rule They're seven inches late Here we are, too hard, too fast! And I'm just the cynic to tell you It just dont move me at all Bubblegum punk trying to cater To a crowd WITHOUT ANY BALLS! Here we are, too hard, too fast! And we don't need a fashion injection Or a sales slip to tell us we're right You look like a band tagged wall And we dont need your sponsers To tell us what we like Never mind that disease HERES SOME REALITY!! Here we are, too hard, too fast... too bad! Here we are, too hard, too fast! And if you're not I hope you dont last Cause I'm sick of watered down shit You're on the wrong side So fuck off and die!
