

Hey Tangerine!

A Great Big Pile Of Leaves

hey tangerine!
what a fresh squeeze...
lick it clean...
more please!

oh! trampoline!
what you do to me, what you do to me.
up here the air is so clean.
you can see the tallest trees.
still tingling!

come home with me tonight!
come home with me tonight!
it feels so right, so right.

hey! fancy feet!
skinny jeans.
hips equipped!
pillows, sheets.

oh! ice cream!
frozen treats.
brain freeze!

you're a gentle breeze.
you're the hottest heat!
you make the birds sing.
