

Workeatsleep

A Great Big Pile Of Leaves

need to eat,
need to sleep, i
need to eat,
need to make money!
work, eat, work, eat, sleep.

well i'm doing that,
but i need to leave,
i need to read,
anything.

no time to eat,
no time to sleep, no
time to eat,
trying to make money!
work, eat, work, eat, sleep.

but i'm tired of sleep,
in the time that i'm free.
there's no time to read,
anything.

work, eat, sleep.
work, eat, sleep.
work, eat, sleep.
work, eat, work, eat, sleep.

early morning,
bumper car driving,
speak through cursing,
when i'm just trying to sing.

get out of bed!
get out of bed!
get out of bed!
but where's the energy?
