

Shorty Don't Wait

A Great Big World

Shorty don't wait in line
Shorty don't wait 'til the sun don't shine
Shorty don't wait in line
Shorty don't wait 'til your life goes by

When your heart don't feel like dancing
I'll be there to give you mine
When you lose that happy feeling
I will lift your spirits high

Shorty don't wait in line
Shorty don't wait 'til the sun don't shine
Shorty don't wait in line
Shorty don't wait 'til your life goes by

All those people who have hurt you
They ain't worth your precious time
When there's no one you can turn to
I'll be right there by your side

Shorty don't wait in line
Shorty don't wait 'til the sun don't shine
Shorty don't wait in line
Shorty don't wait 'til your life goes by

Take that weight off of your shoulders
So you can rest your head on mine
And when you feel like starting over
Well don't think twice, yeah it's alright
(Yeah, it's alright)

Oh...

Shorty don't wait in line
Shorty don't wait 'til the sun don't shine
Shorty don't wait in line
Shorty don't wait 'til your life goes by

Shorty don't wait in line
Shorty don't wait 'til the sun don't shine
Shorty don't wait in line
Shorty don't wait 'til your life goes by
