

# I've Been Losing You

a-ha

It wasn't the rain that washed away...  
Rinsed out the colours of your eyes  
Putting the gun down on the bedside table  
I must have realized

It wasn't the rain  
That made no difference  
And I could have sworn it wasn't me  
Yet I did it all so coldly  
...almost slowly  
Plain for all to see

Oh c'mon please now  
Talk to me  
Tell me; things I could find helpful  
How can I stop now...  
Is there nothing I can do  
I have lost my way  
I've been losing you

I can still hear our screams competing  
You're hissing your s's like a snake  
Now in the mirror stands  
Half a man  
I thought no one could break

It wasn't the rain  
That made no difference  
...nervously drumming on:Run away  
But I want the guilt to get me  
Thoughts to wreck me  
Preying on my mind

So, please now  
Talk to me  
Tell me; things I could find helpful  
For how can I stop now...  
Is there nothing I can do  
I have lost my way  
I've been losing you
