Summer moved on And the way it goes You can't tag along

Honey moved out And the way it went Leaves no doubt

Moments will pass
In the morning light
I found out

Seasons can't last And there's one thing Left to ask

Stay, don't just walk away And leave me another day A day just like today With nobody else around

Friendships move on Until the day
You can't get along

Handshakes unfold And the way it goes No one knows

Moments will pass
In the morning light
I found out

Seasons can't last So there's just one thing Left to ask

Stay, don't just walk away And leave me another day A day just like today Stay, don't just walk away With nobody else around

Seasons can't last And there's just one thing Left to ask

Stay, don't just walk away And leave me another day A day just like today Stay, don't just walk away With nobody else around

Summer moved on
