Blind Faith

Touch the Virgin Mary Say another rosary Follow in the Lenten procession Cleanse yourself with confession Have another novena In the month of November Open your eyes and see

Light a penny candle Light a faithful candle Light a faithful candle Light a hopeless candle

And see through our blind faith

Have another vigil As an act of good will Pray to a statue That's covered in gold Pray for our forgiveness Pray for our souls Open your eyes and see

(Chorus)

(Repeat chorus)
