Sounds Like A Melody

A Life Divided

It's a trick of my mind, two faces bathing in the screen light She's so soft and warm in my arms I tune it into the scene, my hands are resting on her shoulders when we're dancing away for a while

oh, we're moving, we're falling, we step into the fire by the hour of the wolf in a midnight dream there's no reason to hurry just start that brand new story set it alight we're head over heels in love head over heels

the ringing of your laughter
it sounds like a melody
to once forbidden places
we'll go for a while
(2x)

It's the definite show our shadows resting in the moonlight it's so clear and bright in your eyes It's the touch of your sighs my lips are resting on your shoulder when we're moving so soft and slow

We need the ecstasy, the jealousy, the comedy of love like the Cary Grants and Kellys once before Give me more tragedy, more harmony and fantasy, my dear and set it alight just starting that satellite set it alight

the ringing of your laughter it sounds like a melody to once forbidden places we'll go for a while
