The End

A Life Divided

This is the end my dear Today we're gonna die There's no way out of here You better stop to try Time, wasted time Life is a lie

This is the end my love It's time to say goodbye There's no escape for us No chance to save our lives Life, wasted life Time is a lie

Welcome your demons Killing your freedom Welcome the dawning That shines through the pouring rain

Today's the day my friend Where no one hears our cries We're waiting for the end Can't find a place to hide Time, wasted time Life was a lie

Welcome your demons Killing your freedom Welcome the dawning That shines through the pouring rain

I don't like this world here anyway I think we gotta find another place Shut your eyes I'll take you far away Stop the crying, stop the crying (3x)
