

ou are worthless and especially ignorant to human life  
Words - gestures  
Everything I feel towards your existence  
Coexists with the hatred I have for mankind  
Common consideration cannot coincide with you and me  
You talk to offend  
And you laugh to belittle  
It seems like  
You have grown into  
Such a beautiful asshole  
Life, a headache  
That is keeping me from  
Belonging to society  
What does it matter  
You came at me, not to me  
It's my choice  
It's my decision to crave this feeling now  
It has been beaten down on me for years  
Reality is not pretty at all  
A glimmer of sunshine can still exist  
Even when your grey clouds are moving in  
Disappointment  
Is a part of my life  
It is the honest  
And nasty way  
Of being let down
