

## Pirouette

### A Loss for Words

We both sat there in denial  
I was miles away  
You dusted off your old flats  
And you practiced your plies

Blank stares across an empty vacuum of stubbornness and vanity  
Instead of saying what you really mean  
You just dance away from me

I know your shadows  
I'm engrossed in silhouette  
You know just how that dance goes, my Queen of Pirouette

Cold breezes and colder shoulders to make this night complete  
Do I dare drag my feet  
Dare to sleep alone?  
Will you keep dancing to the beat?

I know your shadows  
I'm engrossed in silhouette  
You know just how that dance goes, my Queen of Pirouette

I will scream it from the rooftop  
Get this out of me  
And bellow out of key  
I'm too tired  
And now I just want to fall asleep  
But you just dance away from me

I know your shadows  
I'm engrossed in silhouette  
You know just how that dance goes, my Queen of Pirouette
