

Blue

A Perfect Circle

I didn't want to know
I just didn't want to know
Best to keep things in the shallow end
Cause I never quite learned how to swim

I just didn't want to know
Didn't want, didn't want,
Didn't want, didn't want

Close my eyes just to look at you
Taken by the seamless vision
I close my eyes,
Ignore the smoke,
Ignore the smoke,
Ignore the smoke

Call an optimist, she's turning blue
Such a lovely color for you
Call an optimist, she's turning blue
While I just sit and stare at you

Because I don't want to know
I didn't want to know
I just didn't want to know
I just didn't want

Mistook the nods for an approval
Just ignore the smoke and smile

Call an optimist, she's turning blue
Such a lovely color for you
Call an optimist, she's turning blue
Such a perfect color for your eyes
Call an optimist, she's turning blue
Such a lovely color for you
Call an optimist, she's turning blue
While I just sit and stare at you

I don't want to know
