

Get the Lead Out

A Perfect Circle

Chit-chat, chit-chat
Ain't got time for that

We got places to be
We got mountains to climb

Shape the rainbow with me
Owe me so much time

Get the lead out
Suck it up, buttercup

Get the lead out
We got places to be

Get the lead out
Suck it up, buttercup

Get the lead out
Get the lead out

We got places to be

Get the lead out

Get the lead out

Get the lead out
Get the lead out
Get the lead out

Chit-chat, chit-chat
Ain't got time for that

Not one to dawdle, got
No time to coddle you
No time to coddle you
No time

Chit-chat, chit-chat
Ain't got time for that

Not one to dawdle, got
No time to coddle you
No time to coddle you
No time

Chit-chat, chit-chat
Ain't got time for that

Not one to dawdle, got
No time to coddle you
No time to coddle you
No time

Chit-chat, chit-chat
Ain't got time for that

Not one to dawdle, got
No time to coddle you
No time to coddle you
