

Gimme Gimme Gimme

A Perfect Circle

Gimme gimme gimme gimmie
I need ...more I need ...more
Gimme gimme gimmegimmie
Don't ask what for
Don't ask what for

Sitting here like a loaded gun
i'm waiting to go off
I've got nothing to do
But shoot my mouth off

Gimme gimme gimme gimmie
I need ...more I need ...more
Gimme gimme gimmegimmie
Don't ask what for
Don't ask what for

I know the world's got problems
I've got problems of my own
they 'ain't the kind that can't be solved
With an atom bomb

Gimme gimme gimme gimmie
I need ...more I need ...more
Gimme gimme gimmegimmie
Don't ask what for
Don't ask what for

You know I gonna go out
Get something for my head
If I keep on doing this
I'm gonna end up dead

Gimme gimme gimme gimmie
I need ...more I need ...more
Gimme gimme gimmegimmie
Don't ask what for
Don't ask what for

Gimme gimme gimme gimmie
I need ...more I need ...more
Gimme gimme gimmegimmie
Don't ask what for
Don't ask what for
