## The Nurse Who Loved Me

## **A Perfect Circle**

Say hello to the rug's topography
It holds quite a lot of interest with your face down on it
Say hello to the shrinking in your head
You can't see it but you know its there so don't neglect it

I'm taking her home with me all dressed in white She's got everything I need pharmacy keys She's falling hard for me I can see it in her eyes She acts just like a nurse with all the other guys

Say hello to all the apples on the ground They were once in your eyes but you sneezed them out while slee ping

Say hello to everything you've left behind It's even more a part of your life now that you can't touch it

I'm taking her home with me all dressed in white She's got everything I need some pills in a little cup She's falling hard for me I can see it in her eyes She acts just like a nurse with all the other guys

Say hello to the rugs topography...
