

## Thomas

### A Perfect Circle

Humble and helpless  
Learning to pray  
Praying for visions  
to Show me the way  
Show me the way to forgive you  
Allow me to let it go  
Allow me to be forgiven  
Show me the way to let go  
Show me the way to forgive you  
Allow me to let it go  
Allow me to be forgiven  
Show me the way to let go

Illuminate me,  
Illuminate me,  
Illuminate me,  
I'm just praying for you to show me  
Where I'm to begin

Hoping to  
Hoping to reconnect to you
