

Path Of Resistance

A Perfect Murder

Darkness calling
I always succumb to it
Undeniably falling
Will I ever win?
Can I overcome, or will rage swallow me whole?

Is there a day that I will break?
Not as long as I feel alive
Not as long as I continue survival

Light falling, sometimes it shines down on me
Feelin' so much smaller, when I fail to believe in me
So dead inside

Path of resistance grows stronger

Is there a day that I will break?
Not as long as I feel alive
Not as long as I continue to survive

Path of resistance
