

Slave to the Clock

A Perfect Murder

Get In Line And Get Ready To Die
To Die In Slow Agony
It's Killing You From The Inside
Wake Up And Open Your Eyes
So You Can Feel Your Hell
Your Nightmare Is Your Everyday Life
Time To Say Goodbye, To A Life Of Self-Destruction
You're A Slave To The Clock
And Your Life Is Wasting Away
You're A Slave To The Clock
And Your Life Is Wasting Away

You're Just A Rusty Tool
Ready To Breakdown In Pieces
You're One Of Those Workhorses
And Your Condition Is Constantly Getting Worse
The Pain, The Damage Is Harder And Digs Deeper
Time To Say Goodbye, To A Life Of Self-Destruction

You're A Slave To The Clock
And Your Life Is Wasting Away
You're A Slave To The Clock
And Your Life Is Wasting Away
