Dissolved

A Place to Bury Strangers

I see your love fading today, you lay as a sky brings the rain Under your wall your life fades away, (?)

I wish I could goodbye to time, back to where we were (?) found I wish I could see you once again, I please to have you here, m y friend

I was dead and you (?), I was heard that you didn't wait for me I can bring (?) on sorrow, I realised that (?) you did The deal turns so cold to (?), it brings like a child to the tree

The (?) never ending, there is nothing left that I could do What could I say to my old friend, if I (?) walking on the stre et

What (?) to build this, (?)
